

Fisheries Committee

Meeting Summary

August 28, 2013

11:30 am – 12:00 pm

Centennial Campus, Raleigh

2014-2015 Rules Proposals Administrative Changes to 15A NCAC 10C .0305

- Bob Curry provided a summary of public comments and staff recommendations regarding proposed administrative changes to the NC Administrative Code that would create rules for game fish that are simpler, can easily be understood by the public, and are easier to manage administratively.
- No comments were received during a 60-day public comment period and one public hearing held in Raleigh on July 17, 2013.

Action: The WRC Fisheries Committee unanimously approved taking Exhibit E to the full Commission for their consideration and adoption.

2012-2013 Annual Report on Implementation of the Coastal Habitat Protection Plan (CHPP)

- The committee received the 2012-2013 Annual Report for the North Carolina Coastal Habitat Protection Plan (CHPP) that summarizes accomplishments from September 2012 through August 2013 of the four commissions.
- The committee also received a staff summary report that provided a brief overview of the CHPP, its purpose, and the role of the four commissions along with a summary of the accomplishments for the North Carolina Wildlife Resources Commission for 2012-2013.

No additional topics were discussed.

Meeting adjourned at noon.
