

Deer Processing Seminar - Fayetteville

Start Date: 9/26/2018 6:00 PM

End Date: 9/26/2018 9:00 PM

FREE Deer Processing Seminar

Deer Processing seminars are provided through cooperative efforts between the N.C. Wildlife Resources Commission and N.C. Wildlife Federation.

This Deer Processing Seminar, entitled "Practical Deer Processing, From Field to Freezer," includes video demonstrations and discussions on how to process deer. Topics include field dressing, taxidermy, skinning, safe meat handling and basic home processing.

On-line pre-registration is required and space is limited. (** See registration instructions below "before" attempting registration).

NOTE: Under 16 years of age require permission from parent / guardian to attend.

You will be required to register separately so as to avoid multiple follow up surveys!

** Registration Instructions:

- After selecting the seminar of your desired date and time, click **Book Now** above.
- Fill out billing information and questionnaire. Then click **Next Step** (below the Additional Information box).
- Review your booking details and click **Submit Booking**.
- A confirmation letter should arrive in your inbox. Please keep this as your receipt.
