

REGISTERING a Big Game Kill

Required for Bear, Deer, and Wild Turkey taken in North Carolina

- Before moving the animal from the site of kill (where the animal fell), validate your Big Game Harvest Report Card by punching or cutting in the appropriate crosshair symbol that correctly identifies the big game animal harvested.
- Register by reporting the harvest within 24 hours and record the authorization number on your Big Game Harvest Report Card. Reporting must be done within 24 hours of kill and before the animal is skinned, dressed, or dismembered for consumption.
- If the animal is left unattended before registering, it must be identified with your name, hunting license number and date of kill. An example would be if you leave it hanging in a cooler.
- If you leave an animal with a processor or taxidermist, donate it to Hunters for the Hungry or give it to someone else, you must have the authorization number attached to the carcass. The processor or taxidermist needs to keep a record of species and sex of animals received and name and address of hunter.

To register, choose one of the following options and have your Big Game Harvest Report Card and pen ready.

- Call toll-free 800-446-8663.
- Go online to ncwildlife.org.
- Visit a participating wildlife service agent location.
