

Important Information You Need to Know Before Applying For Permitted Hunting Opportunities

1. Unless otherwise specified, hunters may apply for hunts on or after July 1. Each draw hunt item will indicate the deadline for which applications must be submitted. **PERMIT HUNT APPLICATIONS AND POINT-OF-SALE PERMITS ARE NON-REFUNDABLE.**
2. Permit hunt items are randomly drawn each year. They are not drawn in any specific order.
3. The odds in favor of being selected as a party are no different than those of being selected as an individual. Applying as a party ensures all applicants in the party will be selected or not selected.
4. When drawing hunt items, the system draws Party ID numbers, not individual names. Each party, whether it has one member or five, is assigned one unique Party ID number.
5. Hunters may only apply once per hunt area per species.
6. Hunt choices are awarded in order of preference. Where applicable, you should apply for hunt choices in order of preference.
7. **Hunters will not be awarded multiple permits for the same day. When applying, you should keep this in mind to avoid potential date conflicts.**
8. To join another's hunt party, you must have the Hunt Phase and Party ID number that was provided to you by the hunter who started the party.
9. Hunters wishing to join another's hunt party should not select "Create Party" during the application process. They should select "Join Party" and select the appropriate hunt phase and enter the Party ID number provided to them by the hunt party organizer.
10. Hunters not wishing to create a hunt party should select "Apply As An Individual" during the application process.
11. All members of a party hunt must submit their application prior to the application deadline. **HUNTERS CANNOT ADD OTHER HUNTERS TO THEIR PARTY AFTER THE APPLICATION DEADLINE OR AFTER THE DRAWING IS COMPLETE.**
12. Hunt items categorized as Youth/Adult require both the youth and adult to apply as a party and both must have a permit to hunt. Single party applications for Youth/Adult hunts will be disqualified from the drawing.
13. At the time of application, it is important you confirm your mailing and email address is correct. You will not receive your permit if your mailing address is incorrect and you will not be notified when the drawings are complete if your email address is incorrect.
14. You should always review your purchase receipt or order confirmation carefully and contact the Commission immediately at 833-950-0575 Mon.-Fri., 8 a.m. to 5 p.m. if there are problems. Changes may not be made after the application deadline has passed.
15. When applying online you can print your order confirmation. Those applying online or by phone will receive an order confirmation via email.
